DEPARTMENT OF COMPUTER SCIENCES

GRADUATION

CLASS OF 2021

Congratulations Class of '21!

While we're sorry not to be able to congratulate you in person, do know that we are all so very proud of you and your many accomplishments. You used to be a student; you are now one of our alums. We look forward to seeing you again, either when you stop by campus, or at a future alumni event in the Bay Area, Seattle, Madison, or elsewhere. And remember the wise words of Winnie the Pooh: "They say nothing is impossible, but I do nothing everyday." So go forward and take on the impossible; you just might be surprised at how much progress you make.

Congratulations again, good luck, and On Wisconsin!

-Professor Remzi Arpaci-Dusseau, Department Chair
